Dear parents & carers,

It has been good to meet with many of you in the playground and or in the meetings we have organised so far this term.

I recently wrote to you explaining what will happen following the Ofsted inspection in early September. I can now inform you that last week Belleville was asked to be the academy sponsor for Wix Primary School. Wix will, therefore, become part of the Belleville Multi Academy Trust. The staff, governors and leadership teams of both school are very excited about the opportunities this will bring. We will now be able to bring greater stability to Wix and seek to ensure all of your children get the education they deserve. Our intention is to build upon the current relationship with the Lycee and to improve the provision offered to all the children in all three streams.

I will arrange opportunities for you to meet with me and discuss the way forward. I will also arrange the opportunity for current and prospective Wix parents to visit both Wix and Belleville.

I will keep you informed of developments over the coming weeks.

I look forward to meeting many of you at this Friday's Christmas Fair.

Yours

John Grove
